Confident Buying Leads to General Gains Toward Close

Close

NEW TORK Feb. 21—High grade is son of the railway, steel, equipment and miscreliancess groups festured the more confident accumulation of stocky today at gains of 1 to 4 points. Sales approximated 900 000 shares.

Opening prices were higher, regardess of prospects of tighter money. Traders again favored the equipments, rails and oils. American Lecomotive. Atchison. Rock Island. Tidowater Oil. American Tobacco and Sumatra Tobacco ross 1 to 1% points. Davison Chemical, Western Union. Westinghous. General Electric, United States Steel, Cruothie Steel and American International were firm to strens. National Enameling, whose directors act on the dividend today, added 1% points to Monday's reaction.

United States Steel made a new high quotation for over a rear and attimulated further busing of steels as well insequipments and motors during the formoon. Sugars, leathers, taxtiles and mall order Issues also strongthened, South Porto Rico Sugar. Hide & Lgather preferred Central Leather, American Woolen, Sears Reebuck and Montgomery Ward rose 1 to almost 4 points. Local utilities were the only weak features. The various traction stocks and bonds falling 2 to 2 points as a result of cut to valuations amounced by the transit commission. Call money opened and renewed until Thursday at five per cent. The market experienced a sharp sethack when Mexican Petroleum suddenly dropped five points on active selling Rumors were circulated that there was another hitch in the extigement of the expert oil fax negotiations. Other shares weakened sympathstonic under a hard religious traction and several of the low prices in Pan-American Atlantic Gulf, United Fruit and Crucible Steel. Resumption of pool operations in American pacific. Union Pacific and Reading, rose to beet prices in the final hour. Call money rates fell to 4½ per cent. The close was strong. Louisville & Nashville

SAO PAULO 5% BONDS

Due 1957

A direct obligation of the state of Sao Paulo, Brazil, commercially the most important important province of Brazil; also a first lien on revenues derived from lease of the Sorocabano and Ithuana railways, net earnings from which have been reported for the past few years at \$1,700,000 per year. Payable in Sterling and France and retired through semi-annual drawings. This bond offers strong appreciation possibilities.

Current Yield, 7.3 Per Cent With Sterling at par, current yield is 8.1 per cent
